Professionals, dated November 21, 2019 [Docket No. 529] (the “**Interim Compensation Order**”), Grant Thornton submits this *Ninth Monthly Fee Statement of Grant Thornton LLP for: (I) Allowance of Compensation and Reimbursement of Expenses Incurred for Retention as Consultants to Debtors for the Period May 1, 2022 to May 31, 2022; and (II) Payment of Accrued But Unpaid Invoices for Services Performed in the Ordinary Course of Debtors’ Business Through May 31, 2022* (this “**Ninth MFS**”).

SUMMARY OF SERVICES PROVIDED AND GRANT THORNTON’S RETENTION

A. Services Provided by Grant Thornton in the Ordinary Course of the Debtors’ Business Unrelated to the Bankruptcy Case

1. Prior to September 15, 2019 (the “**Petition Date**”), the Debtors engaged Grant Thornton to provide tax-related services pursuant to the terms and conditions of that certain master agreement, dated June 1, 2018 (the “**MSA**”), and other related statements of work executed in connection therewith.

2. As previously disclosed in the Retention Order, the Debtors retained Grant Thornton after the Petition Date to continue to provide certain tax-related services to assist the Debtors in the ordinary course of their business operations (the “**OCB Tax Services**”), which work consisted of the following services:

- a. Sales and Use Tax Compliance Services: On August 11, 2020, the Debtors and Grant Thornton entered into that certain *Statement of Work for Sales and Use Tax Return Preparation Services*, pursuant to which Grant Thornton was retained to assist the Debtors with the generation of sales, use and other transactional tax returns by providing tax return compliance services. That August 11, 2020 statement of work was subsequently replaced and superseded

by that certain *Statement of Work for Sales and Use Tax Return Preparation Services*, dated March 2, 2021.

- b. 2020 and 2021 Tax Preparation Services: On December 7, 2020, the Debtors and Grant Thornton entered into that certain *Statement of Work for Tax Compliance Services*, pursuant to which Grant Thornton was retained to prepare the Debtors' federal and state tax returns, including extension calculations and estimated tax payments, for the 2020 taxable year, which work has been completed. On January 20, 2022, the Debtors and Grant Thornton entered into that certain *Statement of Work for Tax Compliance Services*, pursuant to which Grant Thornton was retained to prepare the Debtors' federal and state tax returns, including extension calculations and estimated tax payments, for the 2021 taxable year.
- c. Global Mobility Services: On June 18, 2020, the Debtors and Grant Thornton entered into that certain *Statement of Work for Global Mobility Services*, pursuant to which Grant Thornton was retained to provide tax compliance and consulting services for disclosures, review and execution related to United States and United Kingdom tax returns for the years 2015 through 2019. Such services included, among other things: (i) discovery of over-reporting of income; (ii) consultation on the approach to amendments; (iii) preparation of adjusted compensation figures for necessary years; (iv) preparation of tax equalization settlements for necessary years; (v) discussions on processes and filings with the Debtors and David Lundie; and (vi) assistance with responses to IRS and HMRC notices. On April 15, 2021, the Debtors and Grant Thornton

entered into that certain *Statement of Work for GMS Compliance Services*, pursuant to which Grant Thornton's engagement to provide Global Mobility Services was extended to the 2020 and 2021 tax years.

3. Because the OCB Tax Services were being provided in the ordinary course of the Debtors' business and were unrelated to the administration of the bankruptcy cases, Grant Thornton understood that it was not necessary for it to be retained in these bankruptcy cases and that payment on account of such OCB Tax Services would be paid consistent with past practices and in the ordinary course of the Debtors' ongoing business operations. Thus, prior to approval of Grant Thornton's retention with respect to the Plan Services (as further described below), the OCB Tax Services, including the billing and payment process, were not subject to the Interim Compensation Order or other fee procedures applicable to professionals retained in these bankruptcy cases.

B. Services for Which Grant Thornton was Subsequently Retained by Debtors Directly Relating to the Debtors' Plan Confirmation Efforts

4. In January 2021, the Debtors requested that Grant Thornton provide additional tax structuring services that directly related to the development of the Debtors' chapter 11 plan of reorganization in these bankruptcy cases (the "**Plan**"), including certain complicated tax related implications of the new entity ("**Newco**") anticipated to be created in the bankruptcy reorganization. As a result of this requested expansion in the scope of work being provided, on or about January 20, 2021, Grant Thornton and the Debtors entered into that certain *Statement of Work for Tax Structuring Services* (the "**Tax Structuring Plan-Related SOW**").

5. On April 13, 2021, the Debtors filed the *Application of Debtors for Authority to Retain and Employ Grant Thornton LLP as Tax Structuring Consultants to the Debtors Nunc Pro*

Tunc to January 20, 2021 [Docket No. 2636], and the Court entered the Retention Order on April 28, 2021.

6. In August 2021, the Debtors requested that Grant Thornton further expand the scope of its retention and provide additional services related to their Plan confirmation efforts. Specifically, the Debtors and Grant Thornton entered into the *Statement of Work for Advisory Services*, dated August 25, 2021 (the “**Valuation Services Plan-Related SOW**”), pursuant to which Grant Thornton was retained, subject to Court approval, to provide valuation advisory services to the Debtors relating to the Plan and the formation of the Newco as provided therein. The Debtors and Grant Thornton also entered into the *Statement of Work for Employment Tax Services & State Corporate Income/Franchise Tax Nexus Analysis Services*, dated August 26, 2021 (the “**Tax Analysis Plan-Related SOW**”), pursuant to which Grant Thornton was retained, subject to Court approval, to provide tax analysis for certain employment and other tax issues relating to the Plan and formation of the Newco as provided therein.

7. On September 10, 2021, the Debtors filed the *Application of Debtors for Authority to Supplement Retention and Employment of Grant Thornton LLP for Tax Analysis and Valuation Services Effective September 1, 2021* [Docket No. 3761], and the Court entered the Supplemental Retention Order on September 28, 2021.

8. Pursuant to the Retention Order and the Supplemental Retention Order, compensation and reimbursement for the services provided under the Tax Structuring Plan-Related SOW, the Valuation Services Plan-Related SOW and the Tax Analysis Plan-Related SOW (collectively, the “**Plan Services**”) are subject to, and must be in compliance with, the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other

applicable procedures and orders of the Court for allowance of monthly, interim and final fee applications.

SUMMARY OF REQUESTED COMPENSATION FOR THE FEE PERIOD

9. By this Ninth MFS, Grant Thornton seeks compensation and reimbursement of expenses in the total amount of \$18,635.00, which is composed of:

- a. Compensation and Reimbursement for Plan Services: Compensation and reimbursement of expenses in the total amount of \$12,750.00 on account of: (i) compensation in the amount of \$260.00, representing 80% of the total amount of reasonable compensation for actual, necessary Plan Services that Grant Thornton incurred during the Fee Period in the amount of \$325.00; plus (ii) reimbursement in the amount of \$12,490.00, representing 100% of the total amount of actual, reasonable and necessary expenses incurred by Grant Thornton during the Fee Period.
- b. Compensation for OCB Tax Services: Compensation in the total amount of \$5,885.00, representing 100% of the total amount of reasonable compensation for actual, necessary OCB Tax Services that Grant Thornton has incurred during the Fee Period. Because of Grant Thornton's retention in these bankruptcy cases by order entered April 28, 2021, out of an abundance of caution and for purposes of full disclosure, Grant Thornton is including in this Ninth MFS the outstanding amount owed in the ordinary course of business for which payment has not yet been made relating to the OCB Tax Services.

ITEMIZATION OF SERVICES RENDERED AND DISBURSEMENTS INCURRED

10. Attached hereto as **Exhibit A** is a chart of the number of hours expended and fees incurred (on an aggregate basis) by Grant Thornton consultants during the Fee Period with respect to each project category billed to the Plan Services. As reflected in **Exhibit A**, Grant Thornton consultants expended a total of 0.5 hours and incurred \$325.00 in fees during the Fee Period in connection with the Plan Services. Pursuant to this Ninth MFS, Grant Thornton seeks reimbursement for 80% of such fees, totaling \$260.00.

11. Attached hereto as **Exhibit B** is a chart of Grant Thornton consultants that billed time to the Plan Services, including the standard hourly rate for each consultant who rendered Plan Services to the Debtors in connection with these chapter 11 cases during the Fee Period, and the title, hourly rate, aggregate hours worked and the amount of fees earned by each consultant. The blended hourly billing rate of consultants for all Plan Services (including hours spent on fixed fee matters, if any) provided during the Fee Period is \$650.00.

12. Attached hereto as **Exhibit C** is a chart of necessary and out-of-pocket expenses incurred by Grant Thornton in the amount of \$12,490.00 in connection with providing professional services during the Fee Period and seeking compensation for such services in these bankruptcy cases. In connection with Grant Thornton's retention in these bankruptcy cases, at the Debtors' request, Grant Thornton utilized its own outside bankruptcy counsel to assist Grant Thornton with its retention and fee approval procedures. Pursuant to the Retention Order:

"Grant Thornton's reimbursable expenses may include the reasonable and necessary actual, documented out-of-pocket costs, fees, disbursements, and other charges of Grant Thornton's external legal counsel (without the need for such legal counsel to be retained as a professional in the chapter 11 cases); provided, that, if Grant Thornton seeks reimbursement from the Debtors for attorneys' fees and expenses pursuant to the Engagement Agreement, the invoices and supporting time records for the attorneys' fees and expenses shall be included in Grant Thornton's own applications, both interim and final, and these invoices and time records shall be subject to the approval of the *[sic]* Court pursuant to sections 330 and 331 of the Bankruptcy Code, but without regard to whether

such attorneys have been retained under section 327 of the Bankruptcy Code, and without regard to whether such attorneys' services satisfy section 330(a)(3)(C) of the Bankruptcy Code."

Retention Order, ¶ 4. In accordance with the Retention Order, **Exhibit C** includes the invoices and supporting time records for Grant Thornton's outside legal counsel that constitute the reasonable and necessary actual, documented out-of-pocket costs, fees, disbursements, and other charges incurred by Grant Thornton in connection with utilizing such external legal counsel.

13. Attached hereto as **Exhibit D1** are the time records of Grant Thornton for the Fee Period organized by month and project category with a daily time log describing the time spent by each consultant during the applicable Fee Period in connection with the Plan Services. **Exhibit D2** are copies of Grant Thornton's invoices relating to such time records.

14. Attached as **Exhibit E** are invoices for the total amount of reasonable compensation for actual, necessary OCB Tax Services that Grant Thornton incurred covering the Fee Period. In light of Grant Thornton's retention in these bankruptcy cases by order entered April 28, 2021, out of an abundance of caution and for purposes of full disclosure, Grant Thornton is including this disclosure of outstanding amounts owed in the ordinary course of business for which payment has not yet been received relating to the OCB Tax Services.

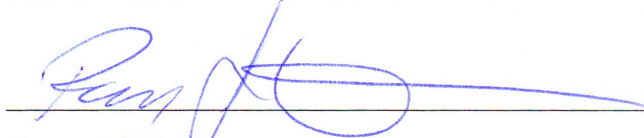

Notice

15. The Debtors will provide notice of this Ninth MFS in accordance with the Interim Compensation Order. Grant Thornton submits that no other or further notice be given.

WHEREFORE, Grant Thornton, in connection with services rendered on behalf of the Debtors, respectfully requests compensation in the aggregate amount of \$18,635.00, composed of: (i) \$260.00, which is equal to 80% of the total amount of reasonable compensation for actual, necessary consulting services that Grant Thornton incurred during the Fee Period (*i.e.*, \$325.00) on account of the Plan Services; plus (ii) 100% of the actual, reasonable and necessary expenses for which Grant Thornton seeks reimbursement on account of the Plan Services in the amount of \$12,490.00; plus (iii) 100% of the total amount of reasonable compensation in the amount of \$5,885.00 for actual, necessary OCB Tax Services that Grant Thornton incurred through May 31, 2022.
